FINANCIAL ASSISTANCE APPLICATION
... So that no one is turned away

YMCA Mission:

The Valley of the Sun YMCA is a community service organization which promotes positive values through programs that build the spirit, mind and body, welcoming all people, with a focus on youth.

What is the Financial Assistance Program?

Based upon available resources, the YMCA is pleased to be able to provide as much assistance as possible for adults, families and children for summer programs. Financial Aid awards are based on a review of the applicant's income, expenses and extenuating circumstances. It is the hope of the YMCA to never turn away anyone from a program because of inability to pay. Financial assistance may not be combined with any other form of involvement or service to or for the YMCA.

To evaluate your individual needs, the YMCA requires as much information as possible about your financial situation. Certain items are mandatory and your Financial Assistance Application will be considered incomplete until all those items are submitted. Once the complete application package is received, it takes at least 4 weeks to process and review. If you are applying for a scholarship for a particular program it is recommended that you apply at least 30 days in advance of the program start.

Note: Please do not include originals of any documentation, as they will not be returned. And, for your security all information is confidential and treated with the utmost sensitivity.

It is the mission of the YMCA to assist individuals who might otherwise not be able to afford our programs and services. Financial assistance funds are allocated from donations received from our Strong Kids Campaign.
