

***CELEBRATE THE SPIRIT OF THE OLYMPICS.....
"WITH GIVING HEARTS"***

YOU can make a difference in our community with even a small donation to the **Strong Kids & Families Campaign here at the Tempe YMCA.....**

How can you help?

- **Purchase a GOLD, SILVER OR BRONZE medal** at the Front Desk for a **\$5 - \$10 - \$20 donation** and we will put your name on it (or whoever you dedicate it to) and hang it on the walls around the YMCA.
- If you purchase a **GOLD** medal, you will be given a raffle ticket to put in the drawing for a **FREE** month of membership! (drawing to be held every week through April 2)

It's that simple.....you can help change the life of a child who learns to swim; maybe they will be the next Gold Medal Olympian? Or maybe it will just save their life! Help the Tempe Y meet our goal of raising **\$238,000** to help children & families in our community.

Of course, if you have any questions or want more information on how your donation will help kids and families here in Tempe, just ask for Kerry Fetherston or Lance Gray or via e-mail:
